IN STEP DANCE STUDIO

## ABOUT POP STARS 3-4 Years

Pop Stars classes are for our three and four year olds. These are really fun and energetic classes starting with a three track warm up where we work on our dance skills through storytelling and imagination. We then work on our dance, our animal dance and stretch game then we finish with our quiet time cool down. Before we go, at the end of each class, one special In Stepper gets to take Steppy home with them. Steppy is our In Step bear and all the children love him very much.
