

Shooting Stars

IN STEP DANCE STUDIO

ABOUT SHOOTING STARS 5-7 Years

Our Shooting Stars work on upbeat choreography influenced by the styles of Street, Jazz and Contemporary dance. We begin with our circle time warm up, our heart racer, and our seated stretching track. As well as our dances, we have our choreography game where our dancers get creative! This gets the brains, imagination, and confidence going. Of course, we finish with a quiet time cool down before one special In Stepper gets to take Steppy home with them. Steppy is our In Step bear and all the children love him very much.
